Fantastic vacation time. Really felt we were at home with friends! A beautiful chalet, fantastic food, wonderful wines and a lovely dining experience. Bedrooms were so comfy after long days of perfect skiing and the shuttle service is unrivalled. Thank you so much, we will be back!!
Chris & Dasha, Christmas 2011

The chalet, the food, the booze, the desserts and company has been great. Exploring the valleys with fresh powder was rather magical. I would love to return for mountain biking in the summer and for skiing. The family had a great time.
Harris Family, Christmas 2011

Thank you so much for being wonderful hosts and looking after us so well. The drop offs and pick ups are so lovely and it has spoiled me for future holidays. Chalet is beautiful and clean and the food has been lovely. I will be back!

Thank you for a lovely time – enjoyed by all!
I was a non-skier.
First time away from home for Christmas and we all had a fab time – home from home without the stress of cooking and house work (what more could you wish for). Thanks for everything, lovely food, wine and company.

Thank you for the wonderful time! The snow and skiing/snowboarding was amazing and picture perfect. The food every night was fabulous! Empty plates each time!
Apparently, the alcohol was very nice also, especially after skiing and on Christmas day. The snow was perfect, fresh powder for the first 2 days making skiing very enjoyable and fun throughout. Thanks, Elliot

Thank you so much for the most wonderful week. The food was fantastic, the highlight being the cheesecake! The chalet itself was lovely and the beds were so comfy. I loved the cakes at tea and they were such a treat. Thank you again for a lovely week.

We have had a super week in the Alps and in your wonderful chalet. Your hospitality has been fantastic and have really appreciated all your hard work e.g. cooking, baking....and all the best for the rest of the season.
Andrea & Dan

Thank you so much for an awesome week, we felt so welcomed and totally at home here. The breakfasts, cakes, teas were all super yummy and we didn't want for anything. It was a total pleasure to meet you both and your beautiful boys, we hope to come and stay with you again soon. Bring on the summer biking and fishing.

Thank you Matthew and Emma for a lovely holiday. Perfect in every way, cosy chalet, lovely food; raspberry cheesecake scrumptious. Individual tailored attention much appreciated especially taxi service to and from the slopes. Extensive skiing area to our standard as promised. plenty of snow and glorious sunshine too. Thank you for a wonderful weekend. The chalet, hospitality and the food... first class!! We would definitely recommend you to our other skiing friends.

Thank you for a wonderful ski weekend. We love your hospitality, your food and your advice. We also especially valued the big beds and duvets as fluffy as the snow! Carry on with the "1970's chocolate fridge cake" (sans sultanas)! – it's a winner. I am sure we will be back.

Thanks Emma and Matt for looking after us so well fetching and carrying us and catering so thoughtfully for our strange eating habits! We've thoroughly enjoyed our stay and with your help, Owen is now a convert to ski holidays!!

The chalet, food, drink and especially our hosts were all excellent. Ventured out on one evening to the Fer Rouge – good beer, live music and a lively crowd. Will definitely recommend to family and friends.

Thoroughly enjoyed our stay at Chalet Le Dragon! The entire week could not have gone more smoothly, from the extremely efficient ski hire to daily drop-offs and pick ups to and from the slopes with Matt. Afternoon cakes were delicious and the hot tub was positively sublime. Besides great skiing, we have been provided with everything needed for a relaxing and enjoyable week.

Thank you Matt & Emma.
